

Candidate Profile

Stephen Le Nouail

I am a P.P.E. major in the Faculty of Arts currently completing my final year of undergraduate studies. Prior to attending the University of Regina the entirety of my education was through the French immersion program. I believe this, as well as my heritage & cultural pride, will allow me to successfully represent francophone students on the URSU Board of Directors. The education I have received at U of R has granted me broad experience in multiple disciplines. I intend to use this experience to successfully perform the duties of Francophone Students' Director.

I look forward to the opportunity to work with those that have represented our student constituents for the last several years. It is my hope that in my final year at the U of R I will be able to give back to the student body through an involved commitment to the demands of the URSU Board of Directors. Whether it is through URSU sponsored events or working with students from La Cité I hope to promote the richness of French culture, traditions, & language throughout the university.
