

Hello, My name is Scott Johnson and I am running for Faculty of Media, Art, and Performance director. I'm a multi-award winning filmmaker and creative based in Regina Saskatchewan Canada and currently in my fourth year of my BFA in Film & Media Production.

As a Film student and a member of the MAP faculty myself I am able to bring my own knowledge to the board and contextualize changes that are needed based on my experience. I feel my experiences as a creative will help me better represent all students in the faculty of Faculty of Media, Art, and Performance.
