

Hello,

This is Rahul Chowdary Chinta .I have enrolled in Diploma in Business Administration. I would like to be a part of University of Regina Student Union. I main goal is to support the students how are every curious to start there own firm and get support from the external means.More over being a member I would like to support all the students and open to find out what all the problems they are facing in the university and take a step to resolve those issues as soon as I can moreover I am open to all the advice the students suggest me in way of fullfiling there needs.
