

Exec/Director Name	Hannah Tait
Title	President
Date submitted	September 11th, 2021

Activities since August 8th:

Board Work

- Active recruitment and 20ish interviews for members at large for committee work.
- ULead planning and preparation.
- Recruiting potential candidates for the bi-election.
- Coordinating to have hybrid board meetings in the future.

Operations

- Insurance meeting to talk about communication and future plans.
- Discussing inclusive hiring and supporting students with disabilities in URSU employment.

Communications

- Presidents Update videos every two weeks (prepare, script, shoot).
- Video to promote election forum events.
- Social media promotion and direct messaging to communicate recent events

Welcome Week

- Moderated and planned partying safely event which received positive feedback from students, panelists and administration.
- Attended and participated in the movie night, club fair, carnival, olympics, and pancake breakfast.

Advocacy/External Engagement

- Open Letter to Professors draft
- Tuition Advocacy Task Force planning and preparation.
- Media and interviews about vaccination and covid.
- Media for the cancellation of on campus voting.

- Promoting student voting and co-hosting the Wascana riding candidates forum.
- Attended an event at the legislative building to show support for Overdose Awareness Day.
- Connected with University of Saskatchewan Students Union on advocacy priorities and potential partnership.
- Worked with Sexual Health Coordinator to meet with an expert to discuss survival sex work, and how to ensure safer sex work for students and the community

Student Life

- Working on finding out how groups can operate in the Fall semester.
- Reimagining the President's Advisory Committee to best support URSU, societies and mutual members.
- Met with student society leaders to discuss how to build a stronger relationship between URSU and societies.
- Working more closely with intramurals and recreation services.
- Collaborating and communicating with FNUSA to repair relationships and build stronger foundations to serve mutual members.

University/Administration

- Further discussing collaboration for initiatives for anti-racism and anti-oppression
- Monthly meetings with Dr. Keshen and University Executive team. We spoke about:
 - International student recruitment and supports
 - Vaccination and covid misinformation.
 - Cost of tuition
 - Technology accessibility
 - Co-curricular record
 - The Lazy Owl and Panette as a trusted food service on campus
- Attended many committee meetings and provided feedback on masking and the reopening plan for campus.

Board of Governors

- Meetings on 13th and 14th of September
- BoG is funding professional development since I am a member of the board. I will be undertaking a Public Sector Governance course through Johnson Shoyama.

Upcoming Highlights

- Task Force on Future of Technology in Education.
- Coordinating with University of Saskatchewan Students Union on advocacy.

- Pride Progress Flag Unveiling on September 21st.
- President Advisory Committee policy update.
- Partnership with RPIRG to provide Bystander Training.
- Virtual Career Fair Booth
- Office closure on September 30th for Orange Shirt Day
