|--------------------|----------------------|
| Exec/Director Name | Hannah Tait |
| Title | President |
| Date submitted | September 25th, 2021 |

Activities since September 11th:

Board Work

- Organized around 30 people and 5 committees for their first meeting. Met with and oriented committees with short introductions, policies, committee purpose, and next steps.
- Continuing ULead planning and preparation. Met with consultant to discuss learning outcomes.
- Recruiting potential candidates for the bi-election.
- Coordinated to have hybrid board meeting in September

Operations

- Discussed inclusive hiring and supporting students with disabilities in URSU employment with Campus for All.
- Organized and led URSU attendance in U of R's virtual Career Day.

Communications

- Presidents Update videos every two weeks (prepare, script, shoot).
- Initiated social media content around COVID-19, upcoming events on campus, and some important initiatives.

Advocacy/External Engagement

- Open Letter to Professors drafting in progress
- Tuition Advocacy Task Force planning and preparation.
- Attended a Climate Action Strike, made posters and short speech
- Continued to connect with University of Saskatchewan Students Union on advocacy priorities and potential partnership.
- Pride Progress Flag Unveiling Master of Ceremonies
- Transit Master Plan Consultation meeting

- Met with Regina Pats to discuss a potential partnership with Bar Manager and Events Coordinator.
- Attended UR Alumni Association meeting and gauged interest in sponsorship of URSU's Ralph Nader event.
- Spoke to representatives that help support OER to get students involved.
- Began researching International student legislation and Saskatchewan's International student protections.

Student Life

- Reimagining the President's Advisory Committee to best support URSU, societies and mutual members.
- Met with student society leaders to discuss funding.
- Collaborating and communicating with FNUSA to repair relationships and build stronger foundations to serve mutual members.
- Met with Celestial Labs to hear about their success at recent competition for a Mars Airlock that URSU provided funding for.

University/Administration

- Attended executive of Council orientation and meeting
- Advocated for student with severe hardship due to situation in Afghanistan
- Discussed computer rehoming partnership with University IT. It most likely will not work out due to their security processes.
- Dr. Keshen the University President would like feedback on how we can improve the student experience.
- Task Force on Future of Technology in Education
 - Raised concerns with building ethical higher education infrastructure and strategic planning.

Upcoming Highlights

- Task Force on Future of Technology in Education continuing
- Coordinating with University of Saskatchewan Students Union on advocacy.
- President Advisory Committee policy update.
- Partnership with RPIRG to provide Bystander Training.
- Office closure on September 30th for Orange Shirt Day
- URAA Celebration
