- Artificial Intelligence in the Public Sector discussion with JSGS.

## Student Life

- Served food and visited with students at Breakfast Club..
- Helping societies with understanding funding and ratification.
- Met with a number of students regarding racism on campus and working towards solutions.

### University/Administration

- Spoke at Convocation.
- Working with UR International to partner on an international student emergency fund for extraordinary hardship.
- Helped with communications for new Student Wellness Center
- President's Advisory Committee on Sustainability meeting where we discussed sustainability on campus broadly and potential collaboration.
- Represented URSU and BoG at Ram's and the university's new agreement celebration.
- Attending first session of Public Sector Governance Training

### Student Union Development Summit

- See attached SUDS program and schedule for specific activities.
- Key takeaways include:
  - Challenges we have are faced at many Student Unions.
  - There are a variety of governance and organizational models to accomplish similar goals.
  - Trends in higher education ministries across Canada.
  - New connections and support system.

### Upcoming Highlights

- Taskforce on the future of technology
- Annual General Meeting
- Meeting with Mayor Sandra Masters
- Higher Education Committee on Loans and Awards
- Anti-racism and anti-oppression initiatives.
- Governance work on constitution and policies
- Legislative building demonstration to show student and community engagement on student issues
